# EVRHEAT® Engine Heaters 

Series 20 Single Phase

For engines up to 20 L (1200 CID)

HOTSTART's EVRHEAT Series 20 engine heater features a debrisresistant forced circulation pump, indicator lights to display heater operation and temperature status, and advanced solid state temperature controls in a flexible, compact design that can mount to a variety of small engine applications. Forced circulation of coolant delivers uniform heating of the engine and offers a significant reduction in electrical consumption.

## HOSE BARBS

For the use of $3 / 4^{\prime \prime}$ ID heater hose, optional $3 / 4^{\prime \prime}$ hose barb adapters are available. See below.

|  |  |
| :---: | :---: |
| EVR20- | Hose Barb, Straight |
| HB3/4 | $3 / 4^{\prime \prime}$, Clip, O-Rings |

Optional 3/4" hose barb accessories replace standard 5/8" hose barb components.

| Engine <br> Displacement | Power Supply <br> Volts <br> V |  |  | Hz | kW | Amps | Model Number | Plug |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | Approval

Power cord length on all models - 8' $(2.4 \mathrm{~m})$.
EVRHEAT engine preheaters include a fixed temperature setpoint of $110^{\circ} \mathrm{F}\left(43^{\circ} \mathrm{C}\right)$.
All models come standard with $5 / 8^{\prime \prime} 90^{\circ}$ inlet hose barb and $5 / 8^{\prime \prime}$ straight outlet hose barb. Optional $3 / 4^{\prime \prime}$ hose barb accessories in $90^{\circ}$ and straights are available.

| Height (H) | Width |
| :---: | :---: |
| $10.28^{\prime \prime}$ | $5.0^{\prime \prime}$ |
| 261 mm | 127 mm |

| Depth | Weight |
| :---: | :---: |
| $5.36^{\prime \prime}$ | 3.25 lbs |
| 134 mm | 1474 g |

| Part Number | Replacement Parts |
| :---: | :---: |
| EVR20-HB5/8 | Hose Barb, Straight 5/8", Clip, O-Rings |
| EVR20-HB5/8-90 | Hose Barb, $90^{\circ} 5 / 8^{\prime \prime}$, Clip, O-Rings |
| EVR20-HB3/4 | Hose Barb, Straight 3/4", Clip, O-Rings |
| EVR20-HB3/4-90 Clip, Inlet/Outlet |  |
| EVR20-HB-C | Hose Barb, 90³/4", Clip, O-Rings |
| EVR20-HB-OR | O-Ring, Inlet/Outlet (2/hose barb) |
| EVR20-B | Mounting Bracket |
