

Certificate of Compliance

Certificate Number:
E474204

Report Reference:
E474204-20180518

Issue Date:
2025-03-26

Issued to:

HOTSTART INC
5723 E Alki Ave Spokane Valley, WA 99212-0965
United States

This certificate confirms that representative samples of:
Heaters, Miscellaneous for Use in Hazardous Locations

See Addendum Page for Product Designation(s).

Have been evaluated by UL in accordance with the Standard(s) indicated on this Certificate.

See Addendum for Standards for Safety

Additional Information:

See UL Product iQ® at <https://iq.ulprospector.com> for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.

A handwritten signature in black ink, appearing to read 'David Piecuch'.

David Piecuch
UL Mark Certification Program Owner

This is to certify that representative samples of the product as specified on this certificate were tested according to the current UL requirements.
